IVY
I am a teenage sex fiend!

photography by red velvet

Hey, it's Lindsey. College sophomore Ivy only just started making movies, but she's already on the road to superstardom!

Hey, Ivy! So, I heard you did a scene with Ron Jeremy! How was that?
It was awesome! He's a legend.
How could you handle such a giant penis?
Well, I'm pretty tight, but if I get turned on enough, I can fit anything. And I was *very* turned on. Older guys are hot!

Which do you like better, modeling or acting?
Definitely acting, because I always want sex. I even wake up horny.
Do you masturbate as soon as you wake up?
Yes, I like to start the day off right!
What's your favorite way to masturbate?
I like to take a bubble bath and play with my waterproof vibrator.
Do you like to give head?
Yes, and I'm very good at it. I can totally deep-throat.
Do you spit or swallow?
Swallow, of course. Spitting is nasty.
Do you like when a guy licks your pussy?
Yes, but I like it even better if he licks my asshole. That makes me insane!
Where do you like a guy to come?
Inside me. I love it when there's like a gallon of jizz and I kind of feel it leaking out later on and it reminds me of the awesome sex I had. I get horny all over again!
And then what do you do?
If I'm with someone, I jump their bones. If I'm alone—it's bubble-bath time!
Are you bi at all?
Yes, I love girls—especially dirty girls.
What kind of guys do you like?
Horny guys. If I'm with a guy, I want him to have a boner for me at all times. If he doesn't, I worry.
What is your main goal in life?
I don't really think that far ahead. But my goal *right now* is to give myself an orgasm! ★

PANTY CONTEST WINNER

Announcing the winner of our July 2010 Panty Giveaway Contest: Matthew Johnathon Ennis of North Carolina wrote such a sizzling-hot entry, he made us jealous of Samantha Stone!

Dear BARELY LEGAL,
While looking through your July issue, I couldn't help but notice the sexy little angel you call Samantha Stone. Therefore, upon seeing the contest ad, I knew I had to try. Samantha is a very sexy lady with a gorgeous body. While looking at her glamorous photos and reading her insightful interview, my cock couldn't help but raise up to such a beauty.

I must say, sex is a wonderful thing, from the intimacy it creates between couples to the exotic feelings you get when just having casual sex. Both examples are what I could picture Samantha and I experiencing. I would start off by making out with her slowly and kissing down to her breasts, sucking gently and licking as I go. Then I would let her go down and suck on this big cock. When she causes me to reach my climax, I would let the hot batter explode in her mouth. Next I would make her sit on top of my face while I eat her pussy until she comes like a waterfall. Then, through many different sex positions and some creative ideas of my own, I would bang her till the sun came up.

Receiving Samantha's panties would be an honor. If I win I shall place them in a Ziploc bag so her scent would never leave until I'm ready to use them to fantasize about this amazing beauty. I honestly think—no, I know—I deserve these panties.

Matthew Johnathon Ennis
North Carolina

Dear BARELY LEGAL,
THANK YOU!!!! THANK YOU!!!! I can't say it enough. I can't wait to receive Nicole's panties, and I can't believe that I won [the May 2010 Panty Giveaway Contest]. My cock got hard as soon as I found out.

Anyways, I was planning on writing another letter regarding what I would like to see in your magazine, so these are my answers.

Toys I think should be left up to the girls. I don't mind them as long as there are also pics without them. Also, I like if there is one hands-free pose of the toy inside the girl's pussy or butt. As for grown-up-lady lingerie and high heels, I say no. I prefer the more girly-designed panties. Tattoos and piercings don't really bother me.

Girl/girl spreads are nice. It's all about having the right two girls together. Talia Shepard [May 2010] and Riley [June 2010] would be nice. MY GIRL NICOLE RAY could pose with anybody. Girl/guy spreads are *ehh*. Just to see the girls with cum on them—maybe a special one-time-a-year thing.

As for close-up pics, I love them. Pussies, clits, buttholes—I love 'em all, especially if the girl spreads herself open or fingers herself. I like girls who have thicker pussy lips like Nicole Ray, Talia or Riley.

The last thing I have to say is that I love girls who have a BUSH—the thicker, the better. Not every girl in BL needs to have a bush, but more would be nice to see.

Overall, I guess whatever makes the model comfortable

while posing is fine by me. Those are some of the things I would like to see more, but I think your mag is pretty great the way it is. Oh, yeah—one last thing: I think every girl should answer the spit/swallow, where they like a guy to come and anal-sex questions.

S.M.
Texas

Congratulations again, S.M.! And thanks for all your super helpful comments. Most readers definitely agree with you when it comes to boy/girl sets, so actually I don't think we will ever have them—not even once a year. BUT if you want to see a cute girl covered in cum, you can always turn to BARELY LEGAL Box Office on page 100! ***—Lindsey***

Dearest Lindsey,
"BARELY LEGAL Classic" should be a regular monthly feature, especially retro bushy pussy like sweet Patricia. Love to see a hairy-cooch blast from the past.

B.C.
New Jersey

B.C., "BARELY LEGAL Classic" is now a regular monthly feature—thanks to feedback from guys like you and Rich! (See below.)
—Lindsey

Dear Lindsey,
I recently purchased your June 2010 issue, which I was thrilled to buy. The reason: Riley, on page 58. When will she be in BL again? Is there any possibility of Riley being in one of the new upcoming DVD releases of the *BARELY LEGAL* series? Is there any chance of Riley's panties being in a Panty Giveaway Contest in the very near future? I hope so, I really want to win them.

Also, when will BARELY LEGAL feature Riley's girlfriend Sara James? They would look great photographed together. How about Riley and Sara in a *BARELY LEGAL* DVD? Both girls are really HOT!

I really liked the BARELY LEGAL Classic, Patricia. I hope an upcoming issue features a favorite of mine, Petra.

I hope you give me a lot of good news about Riley and Sara.

Rich
Pennsylvania

OMG, I didn't know Riley and Sara were girlfriends! That's almost too hot for my brain to handle! To answer your questions, Rich, I'm not sure if Riley is into posing for us again or being in a DVD. Sorry! But I do have some good news: Not only did Sara do a super hot solo layout for our July 2010 issue, she's coming back for an encore very soon!

Also, I would love to feature your fave, Petra, in a future issue, but unfortunately I don't know what issue she appeared in originally. Do you know? Even just the year would help.

Hey, I just thought of something! Does anyone else out there have a bushy girl from the past that they would like to see featured as a BARELY LEGAL Classic? Let me know!
—Lindsey

Dear BARELY LEGAL,
Here is my review of the June issue. Three nice news in this issue are:

—Extremely exciting pose from Katie: bending properly back, spreading the legs and raising the breasts. This pose should be used more frequently!

—"BARELY LEGAL Classic" with the true beauty Patricia. Very good theme, as a reference to today's styles and fashion.

—*Coming Clean* ["A BARELY LEGAL Confession"]: very good with a photo-set, where the girl is really active in doing things. This theme should also be used in coming issues!

The three top girls, together with Patricia, in order of appearance, are:

—Shaylyn Maples: really hot, enjoying the posing and with a lovely ass.

—Riley: an absolutely wonderful, sweet and tender girl, a TOP GIRL OF THE YEAR, who must return in a coming issue.

—Kamilla: inviting, exotic and super cute, in a perfectly colored environment.

The Viking E
by Internet

Viking E, I'm glad you liked the Coming Clean theme, with Shaylyn washing the car. I thought it was totally fun but hot. Do you have any other theme ideas you would like to see? What about you other guys out there? I'm all ears!

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, remember last month when I had to do the whole entire magazine all by myself, and I practically dropped dead of exhaustion, and worst of all I didn't have any time to...*relax*? Well, one of our cutest girls of all time has come to my rescue—super hot Stacy from October 2009. She's back for an encore pictorial, *and* she's our new intern! Yay, Stacy!

Stacy did an *awesome* job interviewing Sasha, Mickenzie and Amy. I didn't even mind that I was stuck here in the office, proofreading, while Stacy was hanging out with Mickenzie, listening to her talk about how much she loves the taste of jizz. Or that she got to hear about Sasha's craving for a real cock in her ass. OR that she got to see Amy's spread butthole up close. I really didn't mind. Not at all.

Omigod, you guys. I can't lie to you. I so DID mind. I'm *dying* of jealousy. I want to hog *all* of the girls. *Sigh*. Oh, well—at least I get to *look* at all of them. And now I can take my time. Just casually flip the pages. Dum-di-dum. *Mmm*—this does feel...relaxing. *Ooooh*! It's *very* relaxing. It's very...oh, oh, oh, OMIGOD! THANK YOU, STACY!

SASHA

back to boys

Hello! My name is Stacy, and I'm the new intern at BARELY LEGAL! You can turn to page 68 to learn all about me, but right now we're going to learn about Sasha. The last time we saw the coed cutie (April 2010), she was rolling around naked with her girlfriend Stella, but now the girls aren't even talking! I decided to get to the…bottom of things.

Hey, Sasha! I thought you'd be all sad posing alone, without Stella, but you look pretty stoked.

I *was* sad right after we broke up, but I don't like to dwell on the negative. It's time to move on and be my own person. My own *sexual* person.

You definitely have, like, the post-break-up hotness—like you're on the prowl.

I am! I want sex *so bad*. With a GUY.

Are you over girls completely?

For now I am. It's a trust thing. I don't believe Stella was ever really into me. She just wanted to be edgy or whatever.

I have to say, when I saw you posing with her, I thought you looked way more into it. You even stuck your tongue in Stella's butthole!

Exactly! I'm, like, really honestly open to trying new things. Stella never wanted to try *anything*. But I have needs!

And right now you need a guy.

I need a guy who will stick his tongue in my butthole and not go, "*Ew*, gross."

What if the guy wants to stick his dick in your butthole, too?

I would love that! I've *always* wanted to try anal sex. But with a real cock, not a toy.

Oh, did Stella do your butt with a toy?

Are you kidding? No, I've done it *myself* with a toy. But I'm sure it's way better with a real penis. I want to feel a cock, like, *pulsing* in my ass. Omigod, I'm getting so horny!

What do you want to tell the guys out there reading this?

Just that the first guy I hook up with better be in good shape and take a lot of vitamins. We are going to go *all night*! ★

SALLY

semi-sweets

"If this rug could talk…" Sally says, stroking her plush, silky stripe. "We've had some real adventures together."

Sally is an orphan who has lived alone, legally emancipated since the age of 17. Her parents were killed in a crash on the interstate one year ago, the day Sally turned 17.

"It's been rough," Sally admits. "The grief. The struggle to squeak by. We were poor, and my folks didn't leave anything. I don't have any relations in the state. I pull the night shift at the hash house. I go to school by day.

"I started hitchhiking for thrills. I don't have money for anything else. Plus, I don't like guys my own age. I click with truckers. It was a trucker that took my parents away from me.

"The first time I put my thumb out by the truck-stop entrance ramp, I don't know what I was thinking. I was scared. It was midnight. I'd finished my shift at the hash house. I was 18 and hungry for something.

"I was a virgin when I climbed aboard my first rig. There were two men inside. They asked me where I was going. I told them I was a local, just out to meet some new friends.

"The one guy who was driving put his hand on my neck. He pinched me like a kitten. 'Me and my partner share everything,' he told me.

"'Fine with me.' I put on a tough front, wondering if I should leap out.

"But I crawled into his partner's crib at the back of the cab. He smelled of whiskey. Even his balls. That's what he had me do first, crawl down his shorts and tongue him like a dog does to himself.

"'Whiskey Stench'—what I privately called the partner—took a long time before he hardened. When it was up, he rolled me over and heaved it in. He didn't even take my boots off.

"My pussy was bone-dry. I wasn't turned on a bit—down there at least. I was turned on in my head, feeling the truck crush through the night. I was thinking of my parents bleeding to death on the highway and that, somehow, I was going to that dark place to confront it.

"It was a hurtful place. Whiskey Stench tore into me. It felt like he was ripping me. I yelled. He jammed a hairy forearm in my mouth. I heard his partner laughing behind the wheel. 'We got us a wild one.'

"The darkness rolled past. I lay as still as I could. He pumped away. I don't know how long it lasted. A hundred miles?

"His partner pulled over. I was soaking when he climbed on, runny with the other man's load. The second dude was fatter down there. His dick had a wide head on it. It snagged me up there and made me moan. My moaning excited the first guy, Whiskey Stench. He started balling my mouth.

"I was digging it by then. Both men gave me as much as they could, and I took every hard inch.

"At dawn they left me at a truck stop. God knows where I was. They had a short-hauler buddy who was going back to my town.

"He didn't try anything when I slid into the cab. It was me. I didn't say a word, just leaned down on the floor and chewed his jeans. He tried pushing my head away, but I yanked his zipper down, and the fight went out of him. I planted my mouth on him the entire ride back. I kept it there after he shot his first load—I kept on sucking. A lot of dudes don't realize how much load they carry until they meet me.

"I don't know what keeps bringing me back to the road. Maybe it makes me forget what the road took away from me.

"I heard something a couple of days ago that put a smile on my face for the first time in over a year. The truckers have a nickname for me. They call me 'Semi-Sweets.'" ★

BREE DANIELS

people pleaser

Hey, it's Lindsey. Adorable Bree wants two things: to be a professional model and to make people happy. I know one way she can make *me* happy. See below!

Hey, Bree! Did you like posing nude?
Yes, I love it. It makes me feel sexy.
What do you think is your best physical feature?
My waist. It's small, and I have wide hips.
Do you enjoy exposing yourself in public?
Sure, on occasion. I love being naked. I always walk around naked at home.
Do you wear panties?
Yes—*usually* a thong, but I wore bikinis for you guys. ;)
How would you rate losing your virginity?
Ten. It was intimate.
What kind of guys do you like?
Confident, with nice eyes and a great smile.
What's the best way for a guy to pick you up?
Being the hunter. They have to woo me.
Do you like to give head?
I love, love, love giving head. I'm a pleaser.
Do you spit or swallow?
Swallow. Ladies don't spit.
Do you like when guys go down on you?
Of course! I love to receive pleasure.
What's your favorite sex position?
Doggy—but standing against a wall is better. Or in a doorway.
What's the best way to make you come?
The best way to make a girl come is by focusing on her.
Have you tried anal sex?
Yes. Cocks are too big, but I can use small toys.
Where do you like guys to come?
In my mouth or in my pussy.
Are you bi?
Somewhat. I am attracted to women but haven't had any experiences.
What kind of girls do you like?
Slim, down-to-earth. I hate divas.
That describes me exactly!
Well, maybe I'll give you a call sometime.
Have you ever had a threesome?
Not yet. Is that a hint? LOL.
Maybe! Last question: What's your favorite fantasy?
Being snuck up on and sexed up mysteriously! ★

THE
STORY
OF MY O
A BARELY LEGAL
CONFESSION
BY HOPE PIERRE
PHOTOGRAPHY BY
X-LAB CHICAGO

Hi guys! I am so honored to be in BARELY LEGAL. I mean, I never really thought I was all that hot—especially compared to all the big-boob cheerleaders at my school. I guess I knew I was at least kind of cute, 'cause once I turned 18 I had sex a couple of times, so maybe that meant the guys (only two!) liked me. But the truth is, even though I liked them and thought they were cute, when it came to the sex part, I didn't really get it. It made me sad, because I had been *so* excited to lose my V. Instead I was all, That's it? I was confused—like, how is it supposed to *feel*?

Then someone special came into my life.

I live in Florida. I take lots of walks on the beach. One day, I was walking and I saw this hot man. He looked like Clive Owen. As he got closer, I got all flustered, trying not to stare and just *sure* I would, like, trip over a seashell or something and fall flat on my face. So I started walking faster and avoiding eye contact. I'm sure I looked like a spaz, but then he started talking.

"Excuse me. I don't mean to be forward, but you're gorgeous."

I literally could not speak. I stood there like a moron with my mouth hanging open.

"I'm sorry," he said. "I didn't mean to embarrass you. I promise I'm not a creep. I'm a photographer."

I still couldn't manage to speak.

"I'm Dalton." He reached out to shake my hand. I took it. Something moved between my legs. I was like, What is that? Is that my clit? My face flushed and my heart jumped. I started to tremble. I was embarrassed. I finally managed to force some words out.

"Sorry," I gulped. "I'm just not used to guys, like, *approaching* me. I mean, especially hot older guys." (I'm going, Did I just say that?! I could have died!)

He laughed. "I'm only 37, and I don't really see myself as 'hot.' You, on the other hand—what's your name?"

"Hope."

"Perfect. Hope. Would you ever consider posing for me?"

I was like, What? "*Umm*, sure, yeah."

"No time like the present?"

He whipped out his camera. I was, like, frozen.

HOMETOWN: PENSACOLA, FLA.

"Relax," he said. "Just be yourself."

He took some pics. Weirdly, it was like, the fact that he was photographing me made me relax. Actually, it turned me on. I didn't feel shy—I felt horny!

"Perfect. Now if it's all right with you, I'd like to try shooting in a more private setting. I live very close to here. Would you be okay with going to my house?"

We walked to his place. He wanted to shoot in his backyard. It was so pretty, and he even had a pool! So we started taking pictures, and he told me how beautiful I looked in my pink sundress, and then he was wondering if I would be okay with taking the dress off, and even my unders, and before I could even think, I'd totally stripped.

He grabbed a beach ball out of his pool and threw it to me. "Have fun. Do what feels best."

How did I go from being all awkward and bumbling to being a hot sex kitten? It was like I was born to do it. Who would have ever imagined! The camera went *click click click*. I rolled around in the grass. Then I noticed that he had a giant boner, like, totally trying to bust out of his pants. Wow! I caused *that*?

Dalton caught me staring. "I'm sorry," he said. "I can't help it."

"It's fine."

"Could I—Hope. I want to touch you so bad."

That was so not a problem. I leaned back on my arms, legs bent. He knelt beside me and ran his hand up my calf. He paused at my knee, continued up my thigh. My nipples tingled, between my legs tingled. His hands roamed up and up. He touched my nips, tickled and pinched them. I was dizzy and short of breath.

"Can I kiss you? Your mouth looks so hot, I can hardly stand it."

I nodded, and Dalton kissed me.

I'd *never* felt a kiss like that. My arms gave way, and I collapsed on my back. His mouth traveled down my neck. He kissed my nips. He licked my belly button. Then his tongue was on my clit.

You guys. Omigod. I was like, So this is what it's all about.

Dalton dragged his tongue between my labes, stuck it in my hole and wiggled it. I moaned and rocked my hips, slowly. I rubbed my boobs. I arched my back.

"Omigod," I gasped. "How—*omigod*—what is this?"

He licked me harder. I squeezed my eyes shut. My throat tightened. My pussy quivered deep inside, in some place I never knew existed.

"Omigod omigod omigod YES!"

My body was spasming. I lifted my ass into the air. I squeezed my boobs tight and bit my lip.

"Okay," I panted. "Now I get it."

Dalton stood on his knees and came on my legs. One fat drop landed perfectly inside my belly button.

I was officially addicted.

I didn't want to be all, like, overeager, but I could hardly wait to see Dalton. It took him two days to call me. While I waited, all I did was masturbate. Well, in my spare time, at least—not while I was eating din with my folks, or in chemistry class. LOL!

Dalton called and asked if I'd like to see the photos he'd taken. I was like, "Sure!" I went to his house. He led me to his studio. There I was, tacked all over corkboard.

It was crazy seeing myself naked in pics. But I have to be honest: It turned me on. A lot. It's not that I think I'm all that. It's just that—I don't know. All I know is that my clitty was hard.

"You're stunning," Dalton said. I was like, *melt*. And before I knew what I was doing, I was on my knees. He pressed his back against the wall, staring down at me.

I unzipped his fly and pulled out his dick. He was *sooo* hard, and I hadn't even done anything! I stuck out my tongue, licked his tip. For a second I was like, I hope I know what I'm doing. But I found out pretty quick that sucking his cock came naturally. How could it not—his dick was delicious!

I started slowly, licking the underside of his dick like it was a big, meaty lollipop. I wrapped my hand around the base and slapped his head against my tongue. I sucked one ball, then two. I dragged my wet lips up the shaft and closed my lips around his tip.

"Oh God," he moaned, wrapping my hair in his fingers, tugging my scalp. I slobbered all over his cock, pulling him deep inside my mouth. I could fit him, like, an inch down my throat without even gagging! It's like I was starving for it. I was crazy for his dick.

I bobbed faster, up and down, swallowing him, then pulling all the way up, sucking the head and pushing the tip of my tongue into his peehole. I jacked him with my hand while I licked the tip. He braced himself against the wall, moaning.

"Come on, oh fuck, oh God, *a h h h h - uuunnnnghghgh*!!"

He came so hard and fast, it shot straight down my throat. I didn't even get a chance to taste his cum—LOL! But swallowing made me happy. It's like, I could feel his jizz in my belly. It turned me on.

"Good God," Dalton panted, sliding down the wall and onto the floor. "Where did you learn to do that?"

I shrugged. "I made it up." Guess I'm pretty great at BJs!

Man, oh, man, did giving him head ever make me horny. I was up half the night rubbing my coochie. I came six times, honest! All I could think about was Dalton's dick, and its salty taste, and how bad I wanted to feel it in my pussy.

The very next day, I called Dalton, all bold. I don't know what got into me!

"I'm really horny," I said. "Can you help?"

"I'll be in the back," he said, his voice all deep and sexy. "Let yourself in."

I couldn't get there fast enough. I darted out the door all, "Mom, going for my walk!"

He was lounging in a chair by the pool in his swim trunks,

hair and skin wet. He glistened. I walked toward him, my gold flip-flops flapping, the thin cotton of my yellow sundress brushing my breasts. My nips were like hard candy.

For real, I don't know what got into me. I wasn't wearing a bra or undies. I felt so sexy and, just, *brave*. I crawled onto the lounge chair, bent my knees and brushed my naked pussy against the wet fabric of his swim trunks. Dalton sprung a boner instantly. He raked his fingers up my thighs and squeezed my butt cheeks.

"My God," he said. "No panties."

My cooch was dripping. Dalton flicked his fingers between my labes. It tickled. My clit throbbed.

"You're so wet," he whispered. "Your juice is running down my arm. Can I lick your pussy?"

"Okay!" I was excited—it had felt so amazing the first time!

He set me in the lounge chair. I closed my eyes. He lifted my dress. I felt his hot breath on my labes. He kissed my pussy lightly, just barely, like a friendly peck. I shivered—what a tease!

His tongue slid into my hole, then out. He licked between my labes, slowly. He sucked my clit just right, not too hard, but firm enough to make me almost come instantly. But I didn't want to yet. I wanted him to stick his cock in me!

"It's too good," I moaned. "I want your dick. Please fuck me."

You guys, I never use language like that. Lust makes a girl cray-zee cray cray!

"Hurry up," I panted.

I spread my legs. He crouched over me, holding his dick. I tugged my dress down so my boobs popped out. I squeezed them.

His slippery dick head nuzzled my puss, and then *push*. I was so wet and ready, he slid into me in one stroke. But my

“I could feel his jizz
in my belly. It
turned me on.”

pussy's little! My cooch squeezed his boner so tight, I was scared for a second I was, like, strangling it, but I guess not, 'cause Dalton was moaning and pumping and calling my name.

"You feel so good," he groaned, sliding in and out, slow, then fast. He sucked my boobs and pulled my hair. "You're too much," he gulped. "You're too much for me."

My coochie bloomed. I felt like I was being electrocuted, but in a good way. Dalton thrust harder and harder. I was exploding. I couldn't stop it.

"Oh. Oh. OMIGOD I'M COMINGGGG!!!"

The entire Florida Panhandle probably heard me. But that is okay. My gazz sent Dalton over the edge. He roared, for real. Like a total beast. He pulled out and came all over my face. And I loved it. It was the dirtiest thing.

Dalton opened the whole world up to me. I knew there was a reason everyone was so jazzed about sex! I just needed somebody to show me. ★

STACY

welcome to BARELY LEGAL!

Hey, it's Lindsey. I'm sure you all remember super hot Stacy from our October 2009 issue. Well, Stacy is now a college sophomore majoring in media studies—and she's our new intern! Let's all welcome her!

Hey, Stacy! What made you want to work at BARELY LEGAL?
It's an awesome magazine—and an awesome way to meet girls!
Hey, where's your journalistic integrity?
What's that? Just kidding! I'll behave…during work hours.
You know, you're kind of a legend around the BL office 'cause of all the panty-contest entries you got last year.
That was *amazing*. It really meant a lot to me that so many guys wanted my undies.
I'm going to ask you some things we forgot to ask last time. First, what was it like losing your virginity?
Horrible! His grandpa needed to go to the ER right in the middle.
Omigod! I hope sex has gotten better since then.
It definitely couldn't get any worse! But no, of course it's better. I come every time now.
What's the best way for you to come?
If I rub my clitty while the guy fucks me hard from behind.
We all know you like girls, but what's your type?
Girly, with big boobs. I love to play with titties.
Well, please try not to play with them during your interviews.
Okay, boss!
What kind of guys do you like?
Sexy badasses.
Which do you like better: guys or girls?
I don't like to generalize. It's all about the individual experience. As long as I come, I'm happy. ;)
One last thing: Do you promise to keep your hands out of your panties while you're interviewing the girls?
I promise. I'll be a total professional—until I get home! ★

YUI

dream beaver

Hey, it's Lindsey. Exotic Yui is an exchange student from Japan, but she speaks English better than me!

Hey, Yui! We had another girl named Yui here once [April 2010]. Is that a common name in Japan?
Yes, it is very popular.
Does "Yui" mean anything?
It can mean many different things, but sometimes it means "only." I like that meaning best, because I want to be the only one. :)
Well, you're definitely an individual! Most girls here shave their pussies.
I *almost* shaved, because I know American men like naked, hairless pussies. But I changed my mind.
That's okay—actually, some American guys *want* to see bush, including lots of BL readers.
What about the BL readers who *don't* want to see bush?
Oh, they'll just flip past you. LOL.
I don't want anyone flipping past me!
Yui, I was joking! No one will flip! Look at how cute you are! Look at your awesome boobs!
Yes, men do like my boobs. I love when they suck on them and bite my nipples. It turns me on.
What else do you like sexually?
I like when they spank me and when they fuck me from behind really hard and pull my hair.
OMG, are you into pain?
Not *a lot* of pain—just enough to make it exciting.
Do you like to give BJs?
Yes. I like when the man thrusts his cock very deep and I almost choke. But not *really* choke. It's *play*, like with spanking.
I'm guessing you must like it up the butt. *That* is *painful*.
I *love* anal sex. But it doesn't hurt. It just feels good!
You're seriously, like, the total perfect BARELY LEGAL girl.
I hope so. I want to have lots of sex in America! ★

MICKENZIE

snack time

photography by steven andres

Stacy the intern here. College freshman Mickenzie may be petite, but she's got a *big* appetite!

Hey, Mickenzie! Did you like posing nude?
Yes, I felt sexy and desirable.
What do you think is your best feature?
My smile. I'm almost always smiling.
When are you *not* smiling?
When my mouth is full...of cock!
Don't be shy, Mickenzie!
Sorry, I just *love* sucking cock. I think about doing it when I'm not even *near* a cock.
What's the best BJ you ever gave?
The best was when me and my roommate Annie were both licking on this guy's dick at the same time. Our tongues would touch, and we would kiss a little, then go back to licking, back and forth, until he exploded all over our faces!
That sounds pretty fun.
It was! The only thing is, normally I prefer to swallow, 'cause I love the taste of cum. But I just licked it off of Annie's face instead.
Do you ever lick Annie's pussy?
All the time! She licks mine, too. We're best friends.
When do you have time for, like, *non*-oral sex?
I make time...sometimes.
What's the best sex you've ever had?
When I was eating Annie out, and a guy was fucking me from behind. That was like a dream come true!
Do you have a dream *guy*?
Just, a guy who'll let me suck his cock every morning, as soon as we wake up. That will keep me smiling all day long! ★

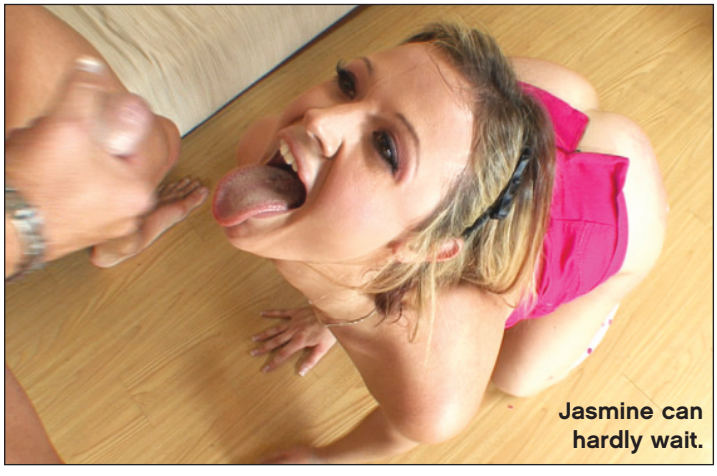
BARELY LEGAL FRESH FACES

★★★★

Hustler Video. Directed by Rick Davis; starring Natalia Rossi, Danni Cole, Amia Moretti, Jasmine Jolie, Zoe Stunner, Alex Gonz, Sergio, Cheyne Collins, Justin Magnum and Derrick Pierce.

BARELY LEGAL Fresh Faces is an awesome movie if you like porn newbies and do *not* like plots and dialogue. Every scene opens with a half-naked girl sitting on a couch, and then a guy comes along, and then they do it. This movie is totally efficient! My favorite fresh face is Amia Moretti. This is only her second scene, and she can't stop giggling as Sergio licks her pussy. "I'm seriously ticklish!" She squeals and squirms while he slurps away, and when he finally stops, she goes, "*Whew*!" It is seriously *cute*. I think I'm also in lezzie love with first-timer Zoe Stunner (age 18 plus two weeks!). She's all, "You're making me nervous" to Derrick Pierce, and then she attacks his cock like a starving wolverine! This scene kind of blew my mind, 'cause Zoe and Derrick have real chemistry, especially when they're kissing. Sorry if that's too romantic! Don't worry—he pounds her until her perfect little pussy is sore and she's screaming, "I can't fucking handle it!" (She totally can, though.) Another brand-newbie is Danni Cole, who is the exact total opposite of Zoe. Danni is adorable, but during her whole scene she seems kind of wigged out. It doesn't look like her first time on camera—it looks like her first time *ever*. (Which I guess is kind of hot in a way!) Most Likely to Succeed is definitely second-timer Jasmine Jolie. She takes two blasts of jizz in her face and just keeps smilin'—even with a huge chunk of cum in her EYE. What a nice girl! In fact, they're *all* nice girls—but lucky for us, not *too* nice. ;)

To order your copy, please go to page 110.



Jasmine can hardly wait.

Jasmine has that not-so-fresh-face feeling.

Atta girl, Danni!

Danni means business.

Finally Amia can *relax.*

Natalia's all, "Do I know you?"

AMY

walk of no shame

It's me, Stacy the intern. Freshman fox Amy sure is getting the most she can out of college!

Hey, Amy! Has anyone ever told you that you look exactly like Angelina Jolie?

No! That's such an amazing compliment. I hope I'm like her on the inside, too.

Because of her charity work?

Um, yes. But also because she's so, like, sexually free. She has sex with men *and* women, and she doesn't care who knows.

And that's how you are?

Now I am. In high school I was all worried about having a bad reputation, so I had *no* fun. Now I don't even care if someone catches me walking back to my dorm in the morning in my clothes from the night before. I'm like, Yeah, I got some. Jealous?

You *never* care?
The only time, *maybe*, is when someone saw me leaving my Abnormal Psych professor's apartment. I don't want people to think I'm fucking him to get an A.
Why *are* you fucking him?
Because he turns me on like no other! He's the main person who opened me up sexually. I even let him do me in the butt!
Have you had any *bad* sex experiences?
Well, yeah—this really hot girl went down on me at a party, but it turned out she only did it because she wanted to impress this one guy she likes who was watching. Sex should always be real, never phony.
I'm sure Angelina would agree! ★
